## ALL-IN-ONE SOLUTION

*A package from MHZ*

MHZ specialises in made-to-measure privacy, sun and insect screen systems. We go out of our way to put a smile on every customer's face. And that's what guides us in all that we do - from the initial concept to the finishing touches.

As part of our new fabric collection - 'Textiles by MHZ' - we are building on our portfolio of stitched fabrics and providing you with an all-in-one service for Roman blinds, panel blinds and curtains.

You can leave everything to us - we are here to offer you advice, help you choose your fabric, sew your blind and deliver a finished system that ultimately ticks all your boxes.

Our signature MHZ quality shines through every time, with our standards being defined by decades of experience, exceptional craftsmanship, strict criteria for materials and outstanding functionality.

**All-in-one solution**

**MHZ FULL SERVICE OFFERING**

*for Roman blinds, panel blinds and curtains*

## ALL-ROUND ADVICE

*MHZ is your trusty partner*

We are well aware that high-quality products and expert advice are key to your success. That's why we're always on hand with hints and tips to help you plan and perfect your customers' projects.

- Briefing and advice on ranges of application, technology and fabrication styles for Roman blinds, panel blinds and curtains
- Easy-to-navigate catalogue arranged by functionality
- Option to order retainers separately
- Answers to questions about bringing your customers' visions to life

## FABRIC COLLECTION

*For at home and beyond*

Our 'Textiles by MHZ' collection is centred around a wide range of premium floor-to-ceiling fabrics including sound-absorbing, dimout, blackout, bioactive, recycled and lining fabrics with different functional properties as well as fabrics produced exclusively for MHZ.

- Machining of floor-to-ceiling fabrics
- Flame-retardant, washable fabrics that are easy to care for
- Varying levels of transparency
- Plenty of colours to choose from
- Fabrics produced exclusively for MHZ
- Collection lifespan of several years

## SEWING

*Customisation with quality guaranteed*

Our made-to-measure approach is about so much more than just customisation. We fulfil individual customer orders by sewing products in line with high quality standards and the state of the art.

- Sewing to create a wide range of fabrication styles
- Exceptional craftsmanship boasting the utmost precision
- Sewing workshop featuring state-of-the-art machinery
- Professional fabrication for individual items and bulk orders alike

## FABRICATION & TECHNOLOGY

*Individual requirements catered to*

Every one of our products meets the highest of standards - even when it comes to system technology. As part of our service, everything in your order will be good to go when we deliver it to you. It will just be over to you to take care of the installation for your customers.

- Various technical options for Roman blinds
- Curtain rails and rods for different ranges of application
- System technology for panel blinds
- Fabrication and technical equipment
- Order ready for installation when delivered
